

**Less Waste, Better Baltimore**  
Rethinking our waste management future

# COMMUNITY MEETINGS

**Thursday, February 28**

**6:30–8:30pm**

**Edmondson-Westside High School**

**Monday, March 11**

**9:30am–12:00pm**

**Shake and Bake Family Fun Center**

Baltimore City is currently conducting a master planning effort to identify options for improving solid waste diversion, recycling, and disposal in the City. To inform the plan, we are holding a series of community meetings to gather input on current challenges and potential improvements from local residents, businesses, community groups, and other stakeholders.

**Come tell us what matters to you and help shape the City's future!**
