

Less Waste, Better Baltimore
Rethinking our waste management future

COMMUNITY MEETINGS

Tuesday, June 4 | 6:30pm–8:00pm
Mergenthaler High School
3500 Hillen Road, Baltimore, MD 21218

Saturday, June 15 | 10:30am–12:00pm
Enoch Pratt Library – Southeast Anchor
3601 Eastern Ave, Baltimore, MD 21224

Baltimore City is currently conducting a Master Planning effort to identify options for improving solid waste diversion, recycling, and disposal in the City. We have conducted research and gathered input from local residents, businesses, community groups, and other stakeholders, which we have analyzed and compiled into initial findings. The goal of this series of community meetings is to review findings and answer questions.
